

## **FUNDING OPPORTUNITIES IN THE FACULTY OF HEALTH SCIENCES**

The following opportunities are exclusive to the Faculty of Health Sciences:

1. Faculty of Health Sciences post-doctoral overseas fellowship.
2. The Dean's grant to a young researcher for excellent research.
3. The Harry Crossley Foundation – running expenses for project research.
4. The Fund for Scientific Travelling.

Please refer to the section Subcommittee C for funding opportunities made available by the committee specifically for the health sciences environment.
